- iv) Evidence that the Insured Product is insured with Us (e.g. Proof of purchase or IMEI number);
- v) A description of the incident that caused the Accidental Damage to the Insured Product.

5.2 Where to find Your key information:

5.2.1 Insured Product IMEI number:

The Beneficiary can find the Insured Product's IMEI number by inputting *#06# into the Insured Product or by going through settings on the Insured Product. It should also be noted on the documentation that came with the Insured Product when it was purchased and may be on the back of the Insured Product. The Beneficiary's network provider may also be able to provide it.

5.2.2 The Proof of purchase of the Insured Product:

This could include a receipt or documentation from the reseller. If the Beneficiary does not have any proof of purchase We may decline the Beneficiary's claim.

5.3 How is Accidental Damage determined and covered?

5.3.1 We will let the Beneficiary know as soon as possible if We can settle the Beneficiary's claim after the Samsung Authorised Service Centre has reviewed the claim. In order for the claim to be eligible the Beneficiary must not separately arrange a repair without Our approval

5.3.2 The Beneficiary must submit the claim fully and truthfully. This enables Us to make an accurate assessment of Your claim.

5.3.3 The Beneficiary must retain the original invoice, receipts or any supporting documentation of purchase of the Insured Product. We may request the Beneficiary to provide these as proof of purchase.

5.3.4 Where another person is liable for the Beneficiary's Accidental Damage, We are entitled to recover the costs We incurred (i.e. for repairing or replacing the item) from that other person.

5.4 What do We require from You?

5.4.1 Ensuring access to the Beneficiary's Insured Product

In the case of Accidental Damage, it is important that the Beneficiary contacts the network provider to disable any security features (for example, locks, personal IDs passcodes or PIN numbers), software, applications or other means which stop Us accessing the Beneficiary's Insured Product.

5.4.2 Ensuring the Beneficiary contacts Samsung in a timely manner

The Beneficiary should report the Accidental Damage as soon as possible so that the Insured Product can be repaired and so that the Accidental Damage does not result in further deterioration to the Insured Product. If there is an unreasonable delay between the occurrence of the Accidental Damage and the Beneficiary notifying Samsung, We may adjust the claim settlement in case Our obligations have increased due to the delay.

5.4.3 Sending the Insured Product or information
We will keep the claim active for 60 days to enable the Beneficiary to send the Insured Product to Samsung and/or provide any additional information Samsung has requested from the Beneficiary. If the Beneficiary has not provided the Insured Product and/or the additional information to Samsung after 60 days the Beneficiary will need to re-register the claim from the beginning.

5.4.4 Backing up data
All Insured Products sent to be repaired will be wiped of all data before any action by Samsung's Authorised Service Centres personnel for confidentiality purposes. Samsung shall not be liable for the loss of any data howsoever caused. Both We and Samsung's Authorised Service Centres do not accept responsibility for the Beneficiary's SIM Card, memory card or any other storage media or property belonging to the Beneficiary not removed from the Insured Product before sending in for repair. Before sending the Insured Product for repair, the Beneficiary is responsible for managing, backing up or otherwise protecting the data of the Insured Product against loss, damage or destruction.

5.5 Preventing false declaration and non-disclosure

5.5.1 The Beneficiary must provide Us with complete and accurate information when making a claim. We may not be able to provide assistance or cover if the Beneficiary provides Us with incorrect or incomplete information. This includes failure to cooperate in the settlement of the claim or failing to pass on important information or changes.

5.5.2 If the Beneficiary or anyone acting on the Beneficiary's behalf makes a claim which is in any way false or fraudulent or supports a claim with any false or fraudulent statement or document, the Beneficiary will lose all benefit from the Policy. We may also recover the cost of any successful claim We have settled under this Policy and later discover to be fraudulent. If the Beneficiary fraudulently provides Us with false information, statements or documents, We may record this on anti-fraud databases and may also notify other organisations.

5.6 Multiple insurances

5.6.1 If the Beneficiary is entitled to compensation under another insurance policy, public scheme or obligation arising from a law or a regulation the Beneficiary should notify Us and We may decline to cover. We will, however, cover the Beneficiary where eligible under this Policy for damage which is not covered by the other insurance policy, public scheme or legal obligation arising from a law or a regulation.

5.6.2 If We do provide cover up front at the Beneficiary's request, the Beneficiary assigns the right to compensation under another insurance policy, public scheme or any legal obligation arising from a law or regulation to Us.

5.6.3 If the Beneficiary has more than one insurance that covers for the same loss, the Beneficiary should only submit the claim to one insurer and provide details of any other insurance to that insurer. They will then contact anyone else who would have insured the event for a contribution towards the costs.

5. MAKING AN ENQUIRY OR COMPLAINT

6.1 If the Beneficiary has a query or a complaint please get in touch with Samsung, in the first instance. The easiest way to contact Samsung is to phone **0333 000 0333** (Monday to Sunday 8am to 10pm), email: uk.help@samsung.com or live chat <https://www.samsung.com/uk/support/contact/> (24 hours a day, 7 days a week).

6.2 Samsung will do everything possible to ensure that the Beneficiary's query is dealt with promptly. Providing the IMEI number of the Insured Product should help Samsung deal with the Beneficiary's comments more efficiently.
